LIBRARIAN'S REPORT

Nineteen-eighty was a very busy year for us at the Olivia Rodham Memorial Library.

The Librarian served on the Planning Board for the District Advisory Council. She attended meetings in Peterborough, Washington, and Keene. She attended Nubanusit Coop meetings in Marlborough, Harrisville, Keene, Temple, Westmoreland, Hancock, Rindge, and hosted a meeting in Nelson in July. She also attended a Dataline Workshop in Claremont and the New Hampshire Library Association Fall Conference in Manchester.

Six sixth graders from the Munsonville School came to the Library last winter for a library course taught by the Librarian. The course concluded with a trip to the Keene Junior High School Library.

The Library received a Certificate of Merit for meeting State requirements in 1979.

Thirty-six young people took part in the Summer Reading Program, "My Father's Dragon." A Dragon Party was held at the end of the summer and twenty-three children attended. There were stories, games, a dragon hunt, and refreshments.

The Bookmobile made two visits and left 934 books. Thanks to all who helped pick out books and stayed to shelve them after.

Eight young people from Tomte Gubben School visited the Library in February and were shown the film, "The Little Dog Who Collected Sticks."

Story Hour was held every other Monday at 3:00 p.m. and an average of ten youngsters attended for stories and refreshments.

Books were taken every two weeks to the Munsonville School and Preschool during the school year. Books were also supplied for Tomte Gubben School. My thanks to Sue West, Dorothy French, Joan Warner, Ann Robertson, and Patty Warner for their help in carrying the books to the young people.

Sixty-one books were obtained on Interlibrary Loan.

Two hundred forty-five books were catalogued during the year

Number of volumes, December 31, 1979	4,445
Purchases	39
Gifts	205
Total books before inventory	4,689
Total books after inventory on October 1, 1980 and total volumes in circulation, December 31, 1980	3,065

Vera Balch has been working on this inventory for a couple of years and this is now the correct count of volumes in our Library.

Many thanks to those people who have given both books and money for books and recordings to the Library and to those who are giving current issues of periodicals.

Circulation from the Library:

Adult non-fiction	468
Adult fiction	687
Juvenile (including books taken to schools)	2764
Periodicals	106
Recordings	86
Total Circulation	4111

This is a total of 730 books circulated over 1979!

My sincere thanks to Vera Balch, Barbara Bennett, and Patty Warner for their help in the Library, and to my Trustees and the Friends of the Library for their support in 1980.

Respectfully submitted,
Patricia Packard
 Librarian

REPORT OF THE CEMETERY BOARD 1980

The only financial statement now required of this Board is a report of all income it has received and paid to the Selectmen during 1980.

These receipts appear as follows:

Interest received from Cemetery Trust Funds	\$ 559.84
Payments received from sale of Cemetery lots	<u>800.00</u>
Total	\$ 1359.84

Aside from routine repairs and maintenance, masonry work was completed on the large fieldstone monument in the old part of the cemetery to prevent damage from erosion by frost and ice.

During the year five burials have occurred and burial rights of 16 lots have been sold. Some of these lots are located on or near the sloping westerly area of the new cemetery section so an extension of the present road toward the west appears necessary. At least a partial survey seems needed to assure accuracy in lot locations and conformity with our original plan - particularly as original reference points are either obscure or missing. A surveyor has been tentatively engaged to do this work.

The Cemetery Board recommends that the Town appropriate \$1800 for the cemetery expenses in 1981.

Respectfully submitted,

SEXTON'S REPORT Town Hall and Old Brick Schoolhouse

Beginning of 1980 the Selectmen turned over the rental of the buildings to the Sexton.

To date, I have turned over \$280.00 to the Town. This lets the people know at least there is a demand for the buildings and at least we are getting something in return.

We have requested all rents be payable in advance and this has been successful.

REPORT OF THE NELSON POLICE DEPARTMENT

During 1980 (March - December), your Police Department answered 182 calls, an increase of 7 calls over the entire year of 1979. These calls ranged from accidents and burglaries to prank calls. In addition to these calls, a great amount of time has been spent on routine town patrol. This patrol has resulted in a greatly reduced number of reported burglaries and thefts, especially in our summer residences, the normally hardest-hit area for these crimes.

An all-new reporting and filing system has been initiated this year. It has helped tremendously in our ability to keep track of our calls and to provide information to outside agencies (ie. State Police and Sheriff's Dept.).

Currently, both Mike Blaudschun and I are enrolled in a State-run police certification course. This course provides a basic background in N.H. law and police methods, and the certification earned will be required of all N.H. part-time police officers by 1982. As it stands now, both of us will be certified by this Spring. This is the first and most important step of an intense training program planned for 1981. The training will provide you with a well prepared and knowledgeable Police Department that you can rely on.

We have tried to remain available and accessible throughout the year, and the addition of a portable pager this year will enable you to contact us at any time.

As always, the success of our operation is greatly enhanced by your support and the all-out cooperation of the State Police, Sheriff's Department, Mutual Aid, and the Police Departments of our surrounding towns. Our heartfelt thanks goes out to all of you.

Respectfully submitted,

Jon H. Perkins
Chief of Police

REPORT OF THE NELSON FIRE AND RESCUE DEPARTMENT

In 1980 your Fire and Rescue Department responded to 34 emergencies;

18 Rescue Calls

1 Motorcycle accident
2 Auto accidents
15 Medical emergencies

16 Fire Calls

1 Stove fire 1 Car fire
2 Brush fires 5 Mutual Aid
4 Chimney fires 3 False Alarms

Total number of members responding to emergencies: 248

We participated in drills in Stoddard and Harrisville as well as having a drill in the Tolman Pond area, in Nelson, with the assistance of Harrisville. We also had many fire and rescue people participate in schooling at Meadowood County Area Fire School. Many of the rescue members spent 80 hours to recertify their E.M.T. cards which is required every two years.

The front of the Fire Station was repaired which desperately needed work. The members also rebuilt the pump in the tanker which failed because of age and wear. The parts cost about \$800.00. We have a new body nearly completed on the Rescue truck, thanks to Phil Chase who built most of it in his cellar. We hope to finish it this year.

We had many good comments on the water polo we set up at Old Home Day and we plan to set it up again in 1981. Let's hope it is a little warmer.

We want to remind everyone to be careful with wood burning equipment and if you have any questions seek professional assistance. We are also planning to continue cleaning chimneys during the summer and fall.

REMEMBER!!!!
FOR ANY EMERGENCY CALL 352 - 1100

Respectfully submitted,
Robert West
Fire Chief and Warden

NELSON CONSERVATION COMMISSION

Everyone knows that hibernation means a long winter's nap, but do you know that aestivation means to spend the summer in a torpor?

That is what the Conservation Commission did in 1980. We are making up for it in the winter of 1981. Revitalized by the addition of Patty Boggs, a welcome newcomer, as a sixth member of the Commission, Bill Wiechert, Bill Robertson, Buddy French, Russ Thomas and Cia Iselin have moved into high gear.....and just in time. There is real work to be done. Energy problems have hit us all in the pocketbook. We must find ways to use our resources wisely without using up what rightfully must go to future generations.

Our major current project is another evening with the Packersfield at the Munsonville school. This year the program will be on ACID RAIN, a global problem that threatens Nelson's fish. Knowing about it is a step in the direction of doing something about it, so Patty Boggs plans to visit school and show the students how the acidity in precipitation (snow, sleet or rain can be measured. On February 24, one of those famous Nelson Potluck suppers will be followed by a presentation on Acid Rain by Dick Beyer of the N.H. Audubon Society. A slide show will illustrate the talk. We will also meet the lively new Executive Director of the New Hampshire Association of Conservation Commissions, Kris Peterson/warner, and talk about plans for an active 1981.

Respectfully submitted,
Cornelia Iselin, Chairperson

The motion was made and seconded to recess Town Meeting until 2:00P.M. Saturday, March 15, 1980. A Voice Vote was taken and the motion prevailed. The Meeting was adjourned at 10:20 P.M.

The meeting was reconvened at 2:02 P.M. on Saturday, March 15, 1980.

The Moderator shared a condensed version of information he had gathered from Town Counsel, Secretary of State's Office, and various lawyers. He read to the gathering RSA 669:60 Majority to Elect. Tuesday's elections seemed to be valid in the opinion of the Moderator. Mr. Bradshaw stated that someone could of course take all of this to court and challenge it. If there were new elections, someone could be disenfranchised since Tuesday's meeting was a designated meeting. He felt that there would be more chance of lawsuits then.

Peter Athearn asked if the three "gray" elections could be revoted. The Moderator responded by saying all of the same people were not present at this meeting and that the motion made on Tuesday evening to void the elections was defeated.

Mr. Riley said that RSA 669:60 isn't applicable in this case.. He claimed that RSA 669:11 is the correct one. He stated that this is still Town Meeting and that it is legal to challenge anything that went on during Tuesday's meeting. Any decisions made today would be legally binding. The Moderator responded by saying that if there's a motion to reconsider votes on Tuesday that is possible.

Mrs. Helen McCormick stated that the Secretary of State told her personally that the elections for Police Officer, Planning Board, and Road Committee were illegal.

Mr. Sidney Partridge read RSA ^{40:4}~~44~~ and stated that the Moderator's decision can't be reversed regarding Tuesday evening's elections unless the assembled group voted Tuesday to reverse the elections.

Mr. Raymond Huber made a motion that Article 2 be taken up for discussion. The motion was seconded and passed by voice vote.

Article 2. It was voted to raise and appropriate the sum of \$23,290.00 to defray Town charges for the year ensuing.

Article 3. It was voted to authorize the Selectmen to borrow on the credit of the Town in anticipation of taxes for the year, 1980.

Mr. Ronald McCormick made a motion to take up Article 21 at this time. The Moderator called for a Standing Vote to consider Article 21 at this time. Bonnie Riley, Bob West, and Ray Huber were Appointed Tellers.

Standing Vote: Yes 68 No: 37

It was voted to consider Article 21 at this time.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund for the express purpose of a complete reassessment of all Town properties by the State Board of Taxation or other qualified licensed appraisers. (By Petition)

Much discussion followed. Several residents expressed opinions on the need for a reassessment. Mr. Crowley said that the petition was sent to the State and that the State may step in and order a reassessment. The Reserve Fund would be started and the money would be collected little by little.

Mr. Ray Huber made a motion to ammend Article 21 to add that no money can be withdrawn except by vote of the Town. This motion was seconded. Mr. Huber's ammendment was adopted by voice vote.

Total of votes cast was 112, 78 - Yes 34 - No. Article 21 was adopted as ammended.

Article 18. It was voted to raise and appropriate the sum of \$1,000.00, this sum to be held in the Town Hall/Schoolhouse Capital Reserve Fund for the renovation or remodeling of the Old Schoolhouse or Town Hall, it being understood that no withdrawals may be made from the fund except by vote of the Town.

Article 19. It was voted to raise and appropriate the sum of \$100.00 for the support of the Grand Monadnock Arts Council.

Article 20. To see if the Town will raise and appropriate the sum of \$500.00 to partition off a corner of the Concert Hall for an office to be used as a convenience for the Auditor, Treasurer, Town Clerk, Tax Collector, or Bookkeeper as they may need it to conduct business of the Town.

Celia Weichert made a motion to pass over the article. Motion was seconded. Discussion. Motion prevailed.

Articles Dealing With Protection

Article 22. It was voted to raise and appropriate the sum of \$1,600.00 to be paid to the city of Keene for the use of its landfill.

Article 23. It was voted to raise and appropriate the sum of \$50.00 for Civil Defense purposes.

Article 24. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the proper expenses of the Police Department.

Peter Athearn made a motion to ammend the article from \$1,500.00 to \$500.00. Motion seconded. Motion lost. Article 24 was adopted as read.

Article 25. It was voted to raise and appropriate the sum of \$3,500.00 for the proper expenses of the Fire Department and Rescue Squad.

Article 26. It was voted to raise and appropriate the sum of \$500.00 to pay for damages done by dogs.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 as a subsidy for ambulance service for the ensuing year, March, 1980, to March, 1981, it being understood that townspeople will still be charged for individual calls.

Mary Lou Murphy made a motion to ammend the article to read: "To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to pay whatever bills be outstanding as of March 15, 1980 with Keene Area Municipal Ambulance Service and of that date terminate our contract with said ambulance service." Motion was seconded.

Discussion followed. Ammendment lost by voice vote. article 27 was adopted as read.

Article 28. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the purchase of 2,000 feet of 2½ inch fire hose for the sum of \$4,000.00 with the aid of matching funds from the Title IV Rural Development Act and in the event of rejection of matching funds to purchase 1,000 feet for the sum of \$2,000.00 In any event, the total Town expenditure not to be in excess of \$2,000.00.

Bob West made a motion to ammend Article 28 to read: "To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the purchase of 2,000 feet of fire hose for the sum of \$4,000.00 with the aid of matching funds from the Title IV Rural Development Act and in the event of rejection of matching funds to purchase 1,000 feet for the sum of \$2,000.00. In any event, the total Town expenditure not to be in excess of \$2,000.00." Motion was seconded. Ammendment was adopted by voice vote. Article 28 was adopted as ammended. (Voice vote).

Article 30. It was voted to authorize the Selectmen to sell the 1953 Chevy Fire Truck by advertised, sealed bid, or take any other action relating thereto.

Article 31. The citizens of Nelson, New Hampshire resolve that the Vermont Yankee Nuclear Power Facility in Vernon, Vermont should not be allowed to continue operation if it cannot meet minimal safety requirements, without exception, and if a comprehensive disaster evacuation plan cannot be demonstrated as workable. (By petition).

Many opinions were offered. Cornelia Iselin spoke on the reason for the nuclear power articles and stated that they would give the residents of the Town of Nelson a chance to act responsibly and react to nuclear power.

Peter Iselin made a motion that Article 31 be accepted as read. Motion was seconded. Motion prevailed.

Article 32. The citizens of Nelson, New Hampshire resolve that we will not allow the transport of any radioactive materials, including nuclear reactor fuel and nuclear waste on any roads within the boundaries of the Town of Nelson. Radioactive materials used for medical purposes shall be allowed through town limits, but only after notification to Town Selectmen prior to said passage. (By Petition).

Terry Bennett made a motion that the article be ammended to read "The citizens of Nelson, New Hampshire resolve that we will not allow the transport of any materials, including nuclear reactor fuel and nuclear waste on any roads within the boundaries of the Town of Nelson. Radioactive materials used for medical purposes shall be allowed through town limits, but only after notification to Town Selectmen, Civil Defense Personnel, or Police Officer prior to said passage." Motion seconded. Article 32 was adopted as ammended.

Article 33. The citizens of Nelson, New Hampshire resolve that we will not allow any land within the boundaries of Nelson to be used for either temporary or permanent storage of any radioactive waste materials. (By Petition).

Terry Bennett made a motion to ammend the article to read "or toxic chemical waste." Motion was seconded. After much discussion, Terry Bennett withdrew the motion to ammend the article. Article 33 was accepted as read by a voice vote.

Articles Dealing with Roads

Article 34. To see if the Town will vote to raise and appropriate the sum of \$27,500.00 for wages in the maintenance of the roads and bridges.

Peter Athearn made a motion to ammend the article to \$25,000.00. Motion was seconded. Mr. Riley asked if someone would address the reasons for the amount of money. Theresa Upton explained that the increase was for a 5% increase in wages for the agent and drivers. The ammendment lost in a Voice Vote. Article 34 was adopted as read by a Voice Vote.

Article 35. It was voted to raise and appropriate the sum of \$23,000.00 for General Highway expenses -- gas, repairs, and supplies.

Article 36. It was voted to raise and appropriate the sum of \$548.24 as the Town's share of TRA construction costs, the State's share being \$3,654.94.

Article 37. It was voted to accept additional Highway Subsidy Funds in the estimated amount of \$5,099.86, these funds to be used in conjunction with TRA funds.

Article 38. It was voted to authorize the Selectmen to withdraw from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, for use as set-offs against budget appropriations in the amount indicated; and, further, to authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced, or take any other action relating thereto.

Appropriation	Amount	Related Article
Highway Maintenance	\$10,000.00	34

Article 39. It was voted to raise and appropriate the sum of \$3,000.00 to be added to the Equipment Capital Reserve Fund, it being understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the Town and upon recommendation of the Town Equipment Committee.

Article 40. To transact any other business or discuss other Warrant proposals as they may legally be brought before the meeting. At this time, Sidney Partridge moved that Anna May Hutchins be thanked for her services to the Town as Supervisor of the Checklist.

This time was used to question what is and is not legal for discussion under this article.

Helen McCormick asked that the Selectmen initiate proceedings to change the election system to the Australian Ballot.

James Murphy asked if any other business could be brought up at this time. He wanted a motion to reconsider an article.. The Moderator ruled that would not be legal.

Theresa Upton moved to adjourn. Motion was seconded. The Moderator declared the meeting adjourned at 5:32 P.M.

Respectfully submitted,
Constance H. Van Kirk [signed]

SELECTMEN'S REPORT

1980

The Selectmen this year as in years past have in addition to their Monday meetings, have gone to many meetings including a four week seminar of Assessing.

The Granite Lake Association asked us to meet with them to go over options in ordered repairs to the dam. One possibility is to form a Water District to borrow the money for repairs and pay back through taxes by those in the district.

The revaluation of the town is under way per order of the State after action of several concerned citizens. Total cost will be about \$16,000.00 and should be completed by late summer.

The roads took a beating because of the open winter and the lack of money spent on them over the past years. We have gone over the roads with a State representative to set up a program of upgrading our roads. \$17,500.00 is budgeted this year for gravel and asphalt to upgrade and seal roads.

In 1979 there was an article to winterize the Fire Station. We found that to start the winterizing, the front of the station had to be reconstructed. This has helped by closing the gaps at the doors and walls.

At long last there is some activity on the Granite lake by-pass. The State survey crews are running a line and taking sections to pick a center line for the road. Still no word on when it will be constructed, but at least they are doing something.

The tax rate this year went up about 30% due to a 40% increase in the school budget and 10% for the Town.

Respectfully,
Kenneth E. Jeffery, Chairman

ANNUAL SCHOOL MEETING

March 7, 1980

The meeting was called to order at 5:00 p.m. by the Moderator, Ethan C. Tolman, at the Nelson Town Hall.

The Checklist was handed over to the Clerk and signed by the Clerk and the Supervisors of the Ckecklist.

The Moderator opened the polls for persons wishing to vote for the officers listed by non partisan ballot as required by law. He announced that the polls would remain open until after 10:00 p.m. The meeting was recessed until 8:00.

The Annual School Meeting warrant was read at 8:00 p.m. and the meeting was declared in session.

Mr. Tolman introduced Mr. Richard Champagne and Dr. Bernard Ellis for SAU 29 and allowed that "they may respond on technical points or points of interest throughout the meeting through the Moderator."

Article 1: It was moved and seconded that the District accept and place on file reports of agents, auditors and committees as found in the town report. Article 1. carried.

Article 2: It was moved and seconded that Article 2 be accepted as read. The motion carried.

Article 3: It was moved and seconded that the District raise and appropriate the sum of \$515.00 to send fifth grade students to Camp Union. The Article carried.

Article 4: It was moved and seconded that the District raise and appropriate the sum of \$500 to be deposited in the Capital Reserve Fund established at the March, 1972 District Meeting for the "purpose of the construction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes." The Article carried.

Article 5: It was moved and seconded that the District raise and appropriate the sum of \$1,000.00 for the purchase and installation of a new stage curtain at the Munsonville School. The Article carried.

Article 6: It was moved and seconded that the District vote to raise and appropriate the sum of \$5,365.00 as a deficit appropriation for the fiscal year ending June 30, 1980. The motion passed.

Article 7: It was moved and seconded that the District raise and appropriate the sum of \$194,700.00 for the support of schools, for the salary of school district officers and agents, and for the statutory obligations of the District. The motion carried.

Article 8: It was moved and seconded that the District raise and appropriate the sum of \$5,000.00 to institute an energy conservation program at the Munsonville School and to take any action relating thereto. Discussion followed on what this money would be used for: window insulation, more efficient oil burner, Trombe wall on south end of Mrs. Martin's room. John Bunce made an amendment to reduce the amount to \$1,000.00. The amendment was defeated and the original motion carried.

Article 9: By Petition. To see what sum of money the District will raise and appropriate to provide transportation and other expenses to institute a cooperative physical education program with the Keene Public Schools and to take any action in relation thereto.

Motion was made to request that the intent of this motion (above) be studied by the Nelson School Board and a report be given at the March 1981 School District Meeting. This motion carried.

Article 10: By Petition. To see whether the District will authorize the purchase of land for the purpose of establishing a playground at the Munsonville School and to see whether such funds are to be raised by taxation, transferred from available funds or transferred from Capital Reserve Funds and to take any actions related thereto.

Motion was made that the District raise and appropriate the sum of \$3000 for the purchase of land for a playground at the Munsonville School and further to authorize transfer of said amount from the Capital Reserve Fund established March 1972, and further to authorize the Nelson School Board to take any action necessary to carry out the intent of this motion.

John Bunce amended this motion to read: To see whether the District will raise up to \$250 for a purchase option for lands, contiguous to the school lands, for the purpose of establishing a playground at the Munsonville School. Bunce's motion carried, as amended.

Article 11: Article 11 was passed over.

Article 12: Under Article 12, a motion was made and seconded to adjourn the meeting, and the meeting was thus adjourned at 9:37 p.m. the polls closed at 10:00 p.m.

Respectfully submitted,

ADMINISTRATIVE REPORT

The 1979-80 school year presented numerous challenges for your school district and its staff. The ever increasing inflation rate had made itself felt in all the goods and services purchased by the school district. The staff has worked hard and long to maintain a quality education for our children in the face of ever increasing prices. This has proved to be difficult in that costs for some educational supplies are budgeted one year prior to purchasing. The staff is to be congratulated for their efforts.

The student testing program is in its second year of operation. All students were given a full range achievement test in the spring of 1980. These tests were used to evaluate the programs for the 1979-80 school year and for the planning of the 1980-81 school year. Parents are encouraged to meet with their child's teacher to review the results of these achievement tests which will be given on an annual basis.

The Accountability Testing Committee has developed and administered tests in the areas of mathematics and social studies in Grades 5, 8, and 11. The results of these tests will be distributed to your school board and made public for comment and review. The Language Arts Accountability tests are now being developed and will be administered to the students in the spring of 1981.

The administration will present to the school board and general public a management plan using the results received from the accountability testing program. This management plan will outline any changes in curriculum or methodology which may be required as a result of these tests.

The towns' Curriculum Council has developed a draft of a Language Arts Curriculum Continuum for Grades 1 through 8. This guide will be distributed to all town teachers in September of 1980, and will be used as a pilot curriculum guide for the 1980-81 school year. These guides will be reviewed during the summer of 1981 using comments received from all teachers. The Language Arts Curriculum Guide will then be presented to all town schoolboards in August of 1981 for their adoption as the Language Arts Curriculum Guide for Grades 1 through 8.

The towns' Curriculum Council will begin work on a Mathematics Curriculum Guide in the spring of 1981. This guide will be implemented during the 1982-83 school year.

Your staff and administration are deeply involved in improving the quality of education offered our children. We believe that a school either improves or becomes poorer - it seldom just "holds its own." No school or school system is so good that it cannot improve.

We wish to thank the school board and staff for their aid and cooperation in the past year. We also appreciate their willingness to devote the long hours which are necessary to manage and operate an effective school system.

PHYSICAL EDUCATION STUDY REPORT

In response to the interest expressed at last year's School District meeting, the School Board decided to investigate parents' level of interest in physical education programming at The Munsonville School. The School Board sent out a questionnaire to all parents of school children asking for input and stating that if parents did not respond, that would be taken as an indication that they were pleased with the already existing program. Due to the small response, and a consensus among those who did respond, the School Board decided that parents were satisfied with the present program. Therefore, no money has been budgeted to expand the physical education program at the school next year.

MUNSONVILLE PRINCIPAL'S REPORT

The 1980-81 school year began on Tuesday, September 2, 1980 with an enrollment of 33 students, making Nelson the only school district in Administrative Unit #29 with an increased enrollment.

New to the Nelson staff this year: Nancy Gillard, Part-time Resource Aide; and Gail Crotto, School Nurse.

During the past summer our classrooms were painted and a new stage curtain was installed. Your children and staff are excited about the new look given the interior of the school.

We have instituted an energy conservation program. These include an Enertrol unit added to the heating plant, radiator reflectors, caulking and weather-stripping, pipe insulation on our space heaters and heat destratifiers in each classroom. Insulated window shutters have been added to all north windows, window quilts on east and west windows, and additional ceiling insulation.

Our curriculum continues to be based on individual needs in our classrooms as well as in our Resource Room. We hope that as our needs change and grow, we will be able to assist each student in acquiring the practical and applicable skills necessary for everyday life.

I would like to thank the many parents and friends who have donated their time and resources to make the enrichment activities for your children. I would appreciate the continued support of the children, staff, Packersfield, School Board and Administrative Unit #29 in making this school year successful and enjoyable.

Respectfully submitted,
Jacqueline Martin
Principal
